

# Celebration of Giving

## October 10th, 2009

Join us on October 10th in recognizing the national day of hunger. The Celebration of Giving event celebrates the act of giving, and acknowledges the need to give to those who are hungry.

Winnipeg Harvest helps to feed 40,000 people monthly with almost half of those people being children.

On October 10th we are encouraging Manitobans to fast for 1 day to experience hunger and donate the monetary value of what your daily food would cost to Winnipeg Harvest. If you are unable to fast you can support by making a non-perishable food donation to Winnipeg Harvest.

Please join us for the Celebration of Giving!
